Re: Reciprocity Information

NABP's preliminary application for reciprocity is available on their website at <http://www.nabp.net/programs/licensure/licensure-transfer/index.php>. This link will take you to an online form and will require you to create a user name and password; the information you provide on the application will be verified through NABP and assembled into an official application for reciprocity to Idaho.

Beginning July 1, 2010 all applicants for original licensure, registration and/or reinstatement of a license or registration through the Idaho Board of Pharmacy are required to submit fingerprints for Idaho and FBI criminal background check (54-1718). Request a fingerprint packet from the Idaho Board by sending your name and mailing address to [info@bop.idaho.gov](mailto:info@bop.idaho.gov)

After receiving the 'official' application from NABP, complete the required sections and mail it to the Board office with your completed fingerprint packet and \$250 fee + the required background check fee as stated on the fingerprint instructions. The official application will list an issue date on page one. You have 90 days from the issue date to submit the application to the Board and **90 days after submission to the Board to complete licensure.**

**Idaho Code states that applicants, who have not *actively* engaged in the practice of pharmacy as a registered pharmacist during the year preceding the application's filing date, may be compelled to fulfill further requirements. If this applies to you contact the Board office for further information.**

The Board of Pharmacy will mail notification of an application's acceptance. Once approved, you may register for the MPJE through NABP's website at [www.nabp.net](http://www.nabp.net). The cost for the MPJE is \$200 payable to NABP. An order form for the Idaho law book is attached.

After passing the law exam and prior to working in Idaho you will need to apply for a controlled substance registration. The fee is \$60 annually.

You may contact [Ellen.Mitchell@bop.idaho.gov](mailto:Ellen.Mitchell@bop.idaho.gov) for further information.
